LANDON ATTENDS FAIR AND WORKS ON HIS SPEECH

Nominee Will Speak
At Des Moines
Tuesday

Topeka, Kas., Sept. 19.—(P)—Gov. Alf M. Landon interrupted work on a major farm speech today for a family visit to the Kansas fair and a merry-go-round ride to the 1936 Democratic campaign time of "Happy Days Are Here Again."

For an hour during the morning, the Republican presidential nominee, Mrs. Landon, and their two young sons, four-year-old Nancy Jo and two-year-old Jack, walked about the fair grounds. Then the governor returned home to resume work on Tuesday's Des Moines address and to prepare a partial itinerary of 14 days of platform talks in Missouri, Iowa and Minnesota next week.

Landon chose the executive mansion for final sharpening of his farm talk in conference with Representative Clifford Hope of Kansas, head of the Republican National Committee's agricultural division, and Earl H. Taylor, Hope's assistant.

Available to the candidate were the views of 30 farm editors, presented in a round-table discussion yesterday. Hope told reporters the editors seemed to be grouped in three general schools of thought: one, as represented by C. V. Gregory, the Prairie Farmer, Chicago, which believed government must "exercise some direction in controlling production"; another, as voiced by Kirk Fox, successful farmer, Des Moines, which "hoped" for foreign markets to avoid "some painful adjustments"; and a third, which emphasized, as did James R. Moore, Ohio Farm Bureau News, Columbus, legislative aid to cooperatives.

In past speeches, Landon has urged continued benefit payments, a "far more aggressive" federal-state program for water and soil conservation and asked why "rich lands" should not have a chance to produce what they are capable of.

A Landon visitor during the day was Marshall Simonson of Los Angeles, organizer of the Lincoln-Roosevelt league which he described as a progressive organization.

"I welcome an opportunity to support Gov. Landon who was a close follower of Theodore Roosevelt and a fighter for progressive ideas," he said in a statement.

Royal Mother Hurrying to Ill Son

Accompanied by her daughter, the Princess Torlonia, ex-Queen Victoria Eugenie of Spain is pictured enroute to the hospital at New York where her son, the former crown prince now known as Count Borbon, is critically ill of haemophilia, curse of the Spanish Bourbons. She rushed to hospital after a hurried trip from Europe.

Six Men Injured Fighting Blaze At Streator, Ill.

Damage To Buildings Is
Estimated At
\$175,000

Streator, Ill., Sept. 19.—(P)—Six men, including Fire Chief Frank Owen and Police Chief Harry Reynolds, were injured here last night and early today while fighting a fire that swept through two large store and office buildings, causing damage estimated by Chief Owen at \$175,000.

Breaking out in a drug store on Main street in the heart of the business district, the blaze burned fiercely for more than 12 hours. Both buildings were gutted and heavy damage from smoke and water was caused to other buildings in the block.

Although Ottawa's fire department joined the Streator firemen, the blaze, which broke out at 10 p. m., was not brought under control until after 8:30 a. m. (CST) today.

The police and fire chiefs were injured by an explosion that occurred in a building occupied by the S. S. Kresge Company store and a number of offices. The others injured, all firemen, were: Jack Adams, Alex Shostrom, Wayne Connor and John Elias. None was seriously hurt, physicians at the Streator hospital, where the injured were given treatment, said.

The explosion was believed to have been caused by an accumulation of gases. Chief Owen said the fire was one of the largest in the city's history.

Want Man Held On Murder Charge

Aledo, Ill., Sept. 19.—(P)—A coroner's jury inquiring into the race-track slaying here yesterday of George Latta, 55, Princeton, Ill., racing stable owner, today recommended that Ralph Egbert of Toulon, Ill., be held for action by the Mercer county grand jury.

Witnesses told the jury Latta, Egbert and Egbert's son, Lawrence, quarreled after a trotting race at the Mercer County Fair in which both Elder men had horses entered.

Latta died of a bullet wound over the heart, the witnesses testified, during the quarrel beside the Fairgrounds horse barn.

Lawrence, who was held today in the county jail with his father, was expected to be released, although authorities said he would be called as a material witness when the grand jury convenes.

WM. HART DIES

Cincinnati, Sept. 19.—(P)—William F. Hart, 71, who for 32 years pitched and umpired in major and minor baseball leagues, died today of a heart attack.

He started his baseball career in 1885 with Chattanooga of the southern league, later playing with Lincoln, Neb.; Buffalo, N. Y.; Des Moines, Ia.; Sioux City, Ia.; Brooklyn, Pittsburgh, St. Louis Nationals, Cleveland, Milwaukee, Peoria, Columbus, Little Rock and Chattanooga.

LARGEST GOLD NUGGET

Vancouver, Sept. 19.—(Canadian Press)—What is believed to be the largest gold nugget ever found in Canada is on display here tonight. Weighing 43 ounces, it was found by Carl Eysgaard who for six years has hunted for the yellow metal in northern British Columbia.

Benedict Arnold's Treason Disclosed In An Old Letter

Damage To Buildings Is
Estimated At
\$175,000

Boston, Sept. 19.—(P)—A letter 156 years old which described Benedict Arnold's treason at West Point was disclosed today by the works progress administration.

In the course of an historical record survey the WPA studied the letter written September 28, 1780, by Col. Hugh Maxwell at West Point to his wife. The letter is now owned by Miss Mary Maxwell of Heath, a descendant of the revolutionary colonel.

The writer said General Arnold had "entertained a certain Mr. Andre, the adjutant general of the British army," for about a fortnight.

"This same Andre, by General Arnold's assistance," the letter continued, "had taken plans of all the works on the point and also formed the model of an attack upon the place, which was to have been delivered into the hands of the enemy. But he that sitteth in the heavens laugh and had them in derision."

"On Saturday last, as Mr. Andre was returning to New York in his disguise, he was met by a scout of ours, taken and discovered. General Arnold heard of this on Monday and returned immediately to his wife, told her his plot was discovered and that he must bid farewell to her and America forever. He then called his horse, then went on board it and ordered them to run it in the river."

"It appears that the enemy only waited for return of Major Andre in order to carry their plans into execution for they had a large body of troops long on board transports at Fort Washington. But it is now over, Mr. Arnold is in New York and Andre is in irens and their plot detected."

"The snare is broken and we are enjoyed."

Will Place Stone In Lincoln Tomb

Springfield, Ill., Sept. 19.—(P)—The Lincoln Memorial Commission today announced that a stone from an ancient Roman wall will be permanently placed in the Abraham Lincoln monument October 11 during ceremonies in Oak Ridge cemetery.

The stone is from the wall of Servius Tullius, an early king of Rome and legendary defender of popular liberties. It was sent to Lincoln in 1865 to commemorate his re-election as president and since his death has been stored in the monument.

Governor Horner, who is scheduled to take part in the services, ordered that the stone be made a permanent part of the monument.

WILL DRINK WINE

Berlin, Sept. 19.—(P)—All Germany was invited today to a week-long party to drink up 5,000,000 gallons of German wine.

An official command ordered "all Germans: Drink and be merry." Processions of gaily-costumed "wine queens" paraded through Rhinish towns where the fermented grape beverages were offered freely to everyone in an effort to dispose of surplus wine left over from the last two vintages.

At Speyer, an historic stone fountain in the public square was filled, with wine for the first time in many years.

GARRISON AT FENGTAI HAS SURRENDERED

Tension Is Heightened
Between Japan
And China

Peiping, Sept. 19.—(P)—Surrounded by Japanese troops, the Chinese garrison at Fengtai surrendered today as North China railroad center today as extension between the two governments was heightened by a new "incident."

The slaying of Niwajiro Yoshioka, a Japanese consular policeman at Hankow, asserted by a Chinese, brought immediate orders from the Nanking government for a thorough search.

Observers considered this latest expression of anti-Japanese sentiment would do much to nullify recent official expressions of friendly feeling between the two countries.

Although the Japanese embassy at Nanking asserted no protest would be made "until full information is obtained" from Hankow, Chinese circles there expressed belief the Japanese already had demanded dissolution of the Kuomintang (nationalist) party in the city.

The slaying of Yoshioka, reported shot in the back of the head while standing in a police box, coincided with the "surrender" of Fengtai to make amends for what the Japanese contended was an attack on a Japanese officer and his orderly by soldiers of the Chinese garrison.

In addition Col. Hsu Chao-Lin, Chinese garrison commander, gave a public apology to Col. Reynya Mutaguchi, commander of the Japanese embassy guard at Peiping.

After the ceremony performed in the presence of both detachments, the 400 Japanese troops in full war equipment marched into the garrison just vacated by thousands of Chinese.

Chinese machine guns were mounted on the roof of the barracks, but officers said they had ordered their troops not to begin a quarrel under any circumstances.

The calm of the proceedings was broken only by the rough treatment meted out by the Japanese to the Chinese Daily News correspondent, who said he and his wife were handled rudely by Japanese while attempting to report the surrender.

At Shanghai, officers of the third Japanese fleet called an emergency conference on the Cruiser Idzumo to "consider measures to be taken as a result of the slaying."

Democrats Will Start Tour Of State This Week

Senator J. Ham Lewis Will
Visit This City
Sept. 26

Springfield, Ill., Sept. 19.—(P)—In efforts to get the Democratic state campaign underway at full speed, Governor Horner and Senator Lewis are scheduled to lead caravans of their colleagues into the downstate territory next week.

Starting three weeks behind the Republicans, the Democrats will have only six weeks for their active stump campaign, of which at least the two weeks preceding the November 3 balloting by custom will be spent in Chicago ward meetings.

Lewis and Michael L. Igoe of Chicago are scheduled to speak at Danville tomorrow. The announcement from party headquarters said the senate would be accompanied on his tour by John Steele, candidate for Lieutenant Governor; Auditor Edward J. Barrett, Attorney General Otto Kerper and Lewis Long, candidate for congressman-at-large.

Next week's itinerary for the Lewis caravan is:

Monday—2 p. m., Tuscola; 8 p. m., Mattoon.

Tuesday—10:30 a. m., Newton; 2 p. m., Olney; 8 p. m., Bridgeport.

Wednesday—All candidates to meet in Chicago; 8 p. m., Centralia, with Lewis the only speaker.

Thursday—11 a. m., McLeansboro; 2:30 p. m., Benton; 8 p. m., Marion.

Friday—10:30 a. m., Chester; 3 p. m., Nashville; 8 p. m., Belleville.

Saturday—10:30 a. m., Jerseyville; 2 p. m., Carrolton; 8 p. m., Jacksonville.

Convicted Slayer Wants New Trial

Aledo, Ill., Sept. 19.—(P)—A petition for a new trial for John Collins, which court jury which convicted him of the murder of Roger Johnson arrived at its verdict by drawing slips of paper marked "guilty" or "innocent," was on file here today.

A hearing on the petition before Judge Leonard E. Telleen was adjourned until Monday.

The petition declared that the jury prepared six slips, four of which were blank, one with the word "guilty" and the other with the word "innocent." It charges that the jurymen drew from these slips to arrive at a verdict after 70 ballots had been taken.

All the jurymen have been subpoenaed for the hearing.

NEW DEAL MAY BE REAL ISSUE IN CAMPAIGN

Struggle For Support
Across Party Lines
Intensified

Washington, Sept. 19.—(P)—The struggle for support across party lines in the presidential campaign intensified this week on top of extensive independent voting in the Maine senatorial election and several state primaries.

Developments pointed tonight to more strenuous campaigning on the broad issue of the New Deal. Readiness of some leaders in both major parties to have it out on that basis, rather than traditional differences had long been manifest.

The division in both Democratic and Republican ranks is only a question of extent. Where there might have been an inclination to make allowances for minority sentiment in one party or the other, most precautions of this kind have evidently been discarded. Conceivably, the party dissenters and their influence on the mass who hold allegiance to no party can swing the balance.

President Roosevelt and Governor Landon have shown again a will to campaign on whether the New Deal is American or not, sound or unsound or worth its cost. Accepting the invitation to become the presidential candidate of the American Labor party, in New York state, the president called his campaign one "for democracy in our industrial economy and for the maintenance of American democratic institutions against the attacks of predatory interests."

Shortly after his return to the white house today from Boston, a statement issued by a secretary, Stephen Early, said an attempt was planned "by a certain notorious newspaper owner to make it appear that the president actively accepts the support of alien organizations hostile to the American form of government."

"The president does not want and does not welcome the vote or support of any individual or group taking orders for alien sources," Early said. He did not name the publisher.

Roosevelt Calls Conference On Power Pooling

Believes Cheap Electricity
Can Be Provided In
Some Regions

Washington, Sept. 19.—(P)—A conference to explore the possibility of providing cheap electricity by pooling public and private power in the southeast and, ultimately, in other regions was called today by President Roosevelt for September 30.

In a statement summoning the meeting of federal power officials and representatives of private utilities, banking and electric equipment industries, the president said:

"The public interest demands that the power that is being or soon will be generated by the Tennessee Valley authority and at the Bonneville Dam and other public works projects should be made to serve the greatest number of people at the lowest cost and, as far as possible, without injury to existing actual investment."

It appears, Mr. Roosevelt added, that pooling of power through the joint use of existing transmission line networks "will smooth out the peaks and valleys of separate system operations, reduce the amount of necessary reserve capacity and postpone the need for investment in new generating facilities."

"I am advised that by this means investment in transmission lines and generating facilities could be kept to a minimum, service strengthened, and large economies in operation effected. If so, these great savings, based on fair contractual relations between the public and private agencies participating, should make it possible to bring cheap and abundant power to the gate of every community in the region at uniformly low rates."

REPUBLICANS MEET

Chicago, Sept. 19.—(P)—Leaders of young Republicans throughout the country met in executive session today to put the finishing touches on their plans to reach 40,000,000 persons between the ages of 21 and 46 before the election Nov. 3.

State Senator J. Kenneth Bradley of Connecticut, national director of the young Republican federation, said special committees to reach first voters were being appointed wherever young Republican units were formed.

He reported more than 200 colleges and universities now have young Republican groups, and that organization was developing among young Negro voters.

A hearing on the petition before Judge Leonard E. Telleen was adjourned until Monday.

The petition declared that the jury prepared six slips, four of which were blank, one with the word "guilty" and the other with the word "innocent." It charges that the jurymen drew from these slips to arrive at a verdict after 70 ballots had been taken.

All the jurymen have been subpoenaed for the hearing.

Spanish Government Plans New Onslaught On The Old Alcazar Fortress Today

Worst Sin Will
Be Determined
At Litchfield

Litchfield, Ill., Sept. 19.—(P)—A Christian church pastor and his congregation will try to determine on Oct. 11, the world's worst sin.

The Rev. L. A. Crown, middle aged minister of the Union Avenue Christian church, will preach on "what is the most horrible of sins?"

After the sermon church members and visitors will be asked to write on a slip of paper their conception of the worst sin; these slips will be collected and a prize will be awarded later on to the person whose suggestion is nearest correct in the opinion of a board of judges.

Mr. Crown had been pastor of the church here for a decade.

ROOSEVELT IS 'CHALLENGED' BY COUGHLIN

Detroit Priest Says
President Lacks
Courage

Des Moines, Ia., Sept. 19.—(P)—The Rev. Charles E. Coughlin "challenged" President Roosevelt today to repudiate what he said was the support of "Earl Browder and the Communist party."

Browder, the Detroit priest asserted at an Iowa rally of the National Union for social justice, is "publicly urging his Communist party to vote for Roosevelt and Mr. Roosevelt grins and likes it."

Father Coughlin said the president "has not the courage to exorcise Browder and say, I don't want your Red votes."

He added: "And, moreover, I challenge Mr. Roosevelt to make that assertion."

The priest explained that he was interested "in saving our country and Christianity, not by killing capitalism, but by curing capitalism."

He said the needed cures were payment of a "living annual wage" and the elimination of private insurance and control of money.

At an earlier press conference, Father Coughlin said the purpose of the national union in supporting the presidential candidacy of William Lemke was to obtain bargaining power."

He said he expected the election would be thrown into the house of representatives by lack of an electoral majority by either President Roosevelt or Governor Landon. Then, he added, the National Union would bargain on national policy and administration personnel in return for support of its members in the house.

In a subsequent radio broadcast, Father Coughlin asked: "Are not the farmers of this nation intelligent enough and social minded enough to put aside their rugged individualism for the purpose of setting a minimum price for their products independent of the manipulators of high finance?"

"What America needs," he continued, "is a fixed minimum price on all farm commodities and that minimum price should be sufficient to provide our farmers the cost of production plus a reasonable profit—one of the prime principles of social justice, x x x"

STRIKE VIOLENCE

Kankakee, Sept. 19.—(P)—The first violence was on record today in an unusual strike at the plant of the Kroehler Furniture factory in nearby Bradley, where men pickets are seeking to prevent their wives and sisters from working in the plant.

Bricks were thrown last night at the homes of several women workers. The windows in the home of one were shattered.

The strike resulted from the failure of the women workers to pay their union dues and the refusal of the company to force them to do so. Work has been halted in some departments and the work shipped to plants at Cleveland and Birmingham, N. Y.

PLAYERS BURNED

Okmulgee, Okla., Sept. 19.—(P)—Five members of the Okmulgee high school team and six members of the Wetumka football team were being treated tonight for burns believed caused by the use of unsmoked lime in marking the high school football field.

The most seriously burned was Billy Richards, 16, who was taken to the hospital.

Officials at the Okmulgee high school said the field was marked with lime from their usual supply, but that they believed they may have received unlabeled lime by mistake.

Mrs. A. C. Zang, 612 South Clay avenue, reported to police yesterday that a text had been stolen from her home.

FLOOD WATERS SWEEP TEXAS; TWO DROWNED

Eight Members Of
Family Rescued
From Housatop

Coleman, Tex., Sept. 19.—(P)—Eight members of a family marooned atop their farm home by the treacherous flood waters of the Colorado river were rescued late today after fears were expressed they had drowned.

Ross White, his wife and six children, were rescued by boatmen after clinging precariously to the roof of the house.

The river, slashing through the state on the worst flood in its history, took the lives of two men attempting to save their livestock. The victims were Gaynor McBeck, 60, a ranch hand, and Ganum Maxey, 60, a farmer.

Two miles wide at Indian Creek in Brown county, the flood waters washed away homes, farm buildings and inundated fertile farm land. The flood stage climbed to 72 feet, 14 feet higher than ever before recorded.

Only the rescue work of boatmen saved some from death in the muddy current, which spread over thousands of acres.

After spending the night on top of a barn and in trees, Mr. and Mrs. Bob Mauldin and their three sons, Robert, Thad and J. B., were rescued today by a party in a motor boat. The boatmen also carried to safety the Rev. J. A. McDowell, Church of Christ minister, stranded in a windmill tower on the Mauldin farm near Winchell community.

Chester Boudin, trapped on top of his isolated home in the vicinity of Stacy, reached safety in a boat.

Upstream the Concho river, which caused millions of dollars damage to the Colorado. Virtually the entire area drained by the Colorado and its tributaries had been drenched by torrential rain, reaching from 16 to 20 inches.

Loss of crops, livestock, homes, bridges and highways was expected to total many millions of dollars along the Colorado.

Houston Harle, publisher of the San Angelo Standard-Times, checked over damage in his city today and expressed belief it might reach \$5,000,000. Other estimates said \$1,500,000 or \$2,000,000.

The \$50,000 railroad bridge on the Frisco Line at Winchell washed away early today.

Harmony Prevails As Federation Of Labor Ends Meet

Officials Pleased With
Results At Quincy
Convention

Quincy, Ill., Sept. 19.—(P)—With harmony preserved despite the controversial issues presented at the first of the week, the fifty-fourth convention of the Illinois Federation of Labor adjourned today.

The peak attendance was estimated at more than 900 delegates, although the number dwindled after disposal of the industrial versus craft unionism issue and other important business of the convention.

One of the last items of business was unanimous adoption of a resolution introduced by Tom Downie of Galesburg, state president, that the executive board to assist in bringing together the United Mine Workers of America and the Progressive Miners, rival unions.

State Secretary Victor A. Olander of the Labor Federation told delegates he was "happy" at the outcome of the convention.

"All around us, everyone expected us to be torn asunder, but we have given them another exhibition of good judgment and good sense," he said. "We did not fail to reach an agreement."

State President Reuben G. Soderstrom said "we have demonstrated to the whole world that organized labor can meet and dispose of every issue satisfactorily and sensibly in this convention. We have laid the foundation for a basis of peace within the American Federation of Labor. We have recognized the principles of unity."

Woman Held For Death of Mate

Murphysboro, Ill., Sept. 19.—(P)—Mrs. Clara Reiman, 55, was under arrest here today after issuance of a warrant charging her with murder in the death of her husband, Will Reiman, a farmer, who died last month following an illness then attributed to sunstroke.

The warrant alleges Mrs. Reiman poisoned her husband. Sheriff Ross Osburn said an autopsy report stated poison had been found in Reiman's stomach.

The sheriff said Mrs. Reiman denied the charge.

"My conscience is clear," she told Osburn, "I never gave my husband poison. If poison was found in his body, somebody else gave it to him or he took it himself."

FLIER KILLED
Liverpool, Eng., Sept. 19.—(P)—Ton Campbell, Black, noted English distance flier, was killed today at Speke airfield when his plane and a Royal Airforce ship collided while both were taking to take off.

Campbell Black won the 1934 England-Australia air race with C. W. A. Scott.

The pilot of the Roy Airforce ship was uninjured. Campbell Black died enroute to a hospital.

He was piloting the ship, "Miss Liverpool," in which he planned to fly in a race to Johannesburg, South Africa.

Working Together

Announcement that the Men's Federated Church club will open a new season of activities next week calls attention to the excellent spirit of co-operation and harmony that prevails among the churches of Jacksonville. The programs of the federated churchmen afford a fine follow-up for Sunday night union services which were held during the summer. Both the success of the union services, and the growing influence of the men's organization, is indicative of true bonds of Christian fellowship in this community.

Regularly during the fall and winter months, the men representing a dozen churches and various denominations, get together for fellowship and worship. There are inspirational programs, each designed to broaden and strengthen the work of the church. The Men's Federated Church club works unselfishly, with the welfare of all religious institutions in mind.

Such cooperation is stimulating to religious life of the city. The program of the federated churchmen should meet with continued and growing success as more men realize its lofty purposes.

What We Make of It

Political arguments might be clarified to a considerable extent if we could understand, once and for all, that a stream can never rise any higher than its source. That is to say that it is foolish of us to expect anything more from our government in the way of intelligence, tolerance and foresight, than the great undistinguished body of voters, are willing to give it. The government cannot go above our level. Washington is but a reflection of Main street.

All of this is brought to mind by reading of the set of principles approved at the recent National Progressive conference in Chicago. The last item on the list of objectives for progressive voters reads like this:

"The right of every American to live under a government strong enough to suppress the lawless, wise enough to see beyond the selfish desires of the moment, and just enough to consider the welfare of the people as a whole."

That is a noble objective. It is well to reaffirm that every American has that right, and to insist that the reality at Washington come as close to the ideal as is humanly possible. But to do so it will be necessary for us to remember constantly that a river cannot rise above its source—the government never will be any better than the people as a whole want it to be. For we, the people, are the government. Our constitution was skillfully designed to make us so. When we demand strength, wisdom, and justice for our government, we are simply demanding those qualities for ourselves. The problems of democracy are many, but none greater or more urgent than the call for individual citizens to give their government strength and wisdom, through the ballot box.

Was Alger Great?

Harvard university is preparing to commemorate the deeds of some 50 of its graduates in a hall of fame, and eight judges have been requested to vote on names. Among the literary sons of Harvard, it was announced, four were approved unanimously—Oliver Wendell Holmes, James Russell Lowell, George Bancroft and Francis Parkman. But the interesting feature of the situation was the fact that three of the judges cast ballots for Horatio Alger.

From a strict literary standpoint, it is probable that there never was a worse novelist than Alger. Yet it is doubtful if, among the 50 distinguished alumni whose names are finally agreed upon, that there will be a single one who influenced the life of his time more profoundly than the writer of an almost endless series of boys' books.

Alger took the rags-to-riches theme, the log-cabin-to-the-White House saga, and riveted it into the brains of whole generations of young Americans. Over and over again he told that story, the only story, in fact, that he did tell. And millions of American boys lapped up his writings and craved more. The lesson stuck. The Horatio Alger story became a part of the American credo.

Some of the boys who devoured the books got their eyes opened later on. Life didn't bring the rewards for hard work that Alger said it did, and there were reverses that left them wondering. But that was no fault of Alger. He started out millions of youngsters with an idea that with plenty of vim, vigor and vitality, they could over-

come almost any obstacle. Many of them, inspired by the juvenile story books, forged to the front in business and civic life, realizing many of the things Alger crowded into his last chapters.

There is no doubt that Horatio Alger was an inspiration to several generations of young Americans. Even today, his books are steady in demand. The Harvard committee might incur the wrath of literary critics if it included the author of "Tom The Bootblack," "Phil the Fiddler," and "The Young Boatman," among the alumni's greatest, but considering the part he played in moulding lives of young Americans, the selection would not be without merit.

Both Sides of the Campaign

By Senator Joseph C. O'Mahoney
Vice Chairman, Democratic National Campaign Committee

The same and sound leaders of business should—and most of them do—thank God for Franklin D. Roosevelt. There is a multitude of others of course, who curse him. The same and sound leaders of business get beyond the political news pages and the partisan editorials of their daily papers into that department where no newspaper publisher can afford to tolerate error. They go to the business pages.

About the time that Governor Landon was accepting the Republican nomination and the Chicago Tribune, in common with other anti-New Deal papers, was hailing him as the savior of business, the Tribune printed a remarkable statistical summary in its business pages. In a graphic and understandable way it told the story of what has actually happened to business under the Franklin D. Roosevelt whom its editorial writers were denouncing as a menace to business. Its principal features compared important business factors for the first six months of 1933 with the same factors of 1936.

Two of the four months of 1933 were under Hoover. It should be remembered, the candidate who predicted that the grass would grow in our city streets if Roosevelt was elected to his place. Here are the facts from the Chicago Tribune's summary:

Loadings of freight cars, and no-bay loads a freight car under there is an actual business transaction, a sale, increased more than 24 per cent for the first six months of this year over the first six months of 1933.

For the same period our foreign trade, which President Roosevelt ruined, according to his opponents, actually increased 85 per cent.

Cities Business Recovery
Nobody builds an automobile unless it can be quickly sold. In the first six months of 1933 the automobile industry built 900,000 cars. In the first six months of 1936 it built almost 2,500,000 cars, an increase of 151 per cent! This despite the shifting of the opening of the automobile season into the fall to provide steadier employment through the winter, but taking the first rush of buying new models out of the first six-month period.

False leaders of business have criticized the administration for not helping the heavy industries out of the depression. The Chicago Tribune's facts show that steel production, the barometer of heavy industry, rose steadily almost from the beginning of his administration. In the first six months of 1933 it was less than 6,000,000 tons. In 1934 it doubled. In 1935 it held its own at better than 16,000,000 tons and for the first six months of this year it has reached 21,000,000 tons. That is an increase of 140 per cent in three years.

There can be no better index of the solid permanence of this improvement than the remarkable increase of building construction between 1933 and 1936. People do not put their savings or their borrowings into new buildings, industrial or housing, unless they feel that a profit on the investment is certain for many years to come.

According to the Chicago Tribune's summary of facts, for the first six months of 1933, new building construction was valued at only \$432,000,000. In the first six months of 1934 it jumped to \$824,000,000. There was a slight recession in the first six months of 1935. But for the same period in 1936 building construction reached \$1,210,000,000. That was an increase of 180 per cent.

Claims Credit for Roosevelt
And let there be no doubt about it, President Roosevelt and his administration are responsible for the improvement. The tycoons of big business and finance had been in the saddle, riding government, as well as business, up to 1933. They dominated Congress. Their advice was eagerly accepted at the White House. For 12 years had been the lords of creation—but they couldn't stop the panic. They couldn't end the depression. Franklin D. Roosevelt did that, with the mandate of the people, when he took the helm of government and economics in 1933.

Then they came to Washington and cried for help. They got it. They got more. They got a new viewpoint of the responsibility of business to the people as a whole. Where necessary they got laws to prevent the follies of charlatanism and inflation that led to the disaster of 1929.

And it worked. If you don't believe it see the business pages of the Chicago Tribune, or any other reputable paper.

State Pension Body Passes on 155 New County Applications

Brings Total to 643 Getting Aid from Fund; Bulletin States Policy

Acting favorably on 155 applications, the State Department of Public Welfare, Division of Old Age Assistance, brought the total number of persons receiving financial aid from this source up to 643 in the county. The state board is passing a more every day, Supervisor Fred E. Deatherage of the local office state yesterday.

The local supervisor called attention to the following bulletin, issued by James B. Andrews, superintendent of the division of Old Age Assistance:

"There is an impression among recipients of old age assistance and others that the payment of Federal funds to the State Treasury of Illinois of fifty per cent of the amount paid out under the provisions of the Illinois Old Age Assistance Law will result in doubling the amount of awards for old age assistance to individual recipients. This impression is erroneous.

"The Federal Government does not pay any money to individuals. Section 3 of the Illinois Old Age Assistance Act approved January 3, 1936, directs the manner in which awards for old age assistance shall be made and states:

"The amount of assistance... shall be... fixed with due regard to the amount of property owned and income received or obtained by such person and other conditions existing in each case and shall be sufficient when added to all other income and support of the recipient to provide such person with a reasonable subsistence compatible with decency and health, but in no case shall the assistance be given to any person when added to all other income and support of recipient exceed the rate of \$30 per calendar month....

"Changes in the amount of awards can be obtained only through a reconsideration of the case of the applicant by the county department or State Department and upon the submitting of evidence relating to the recipient's claim for aid. Recipients should consult their county superintendent of public welfare with reference to this matter and advise him of any change in their circumstances which, in their opinion, justifies a change of award."

The Family Doctor

These Rules Will Help You Keep a Model Home Medicine Chest

BY DR. MORRIS FISHBEIN
Editor, Journal of the American Medical Association, and of Hygiene, the Health Magazine

Here are rules that should be followed carefully in keeping a family medicine chest:

1—Don't save poisonous preparations of any kind except antiseptics.

2—Never keep in the family medicine chest bichloride of mercury, pills containing strychnine, or solutions containing wood alcohol.

3—Never keep samples of patent medicines of unknown composition.

4—Never allow any preparation of opium or morphine to remain loose in the family medicine chest.

5—Never save any preparation after the specific need for which it was ordered by the physician has ended.

6—Go over the family medicine chest at least once every three months and discard all useless or spoiled materials.

7—When measuring out a medicine, think of what you are doing and pay no attention to anything else.

8—Have a measuring glass for preparing doses, and several spoons of various sizes available for administering liquid medicines.

9—Always measure drops with a medicine dropper. Do not use guesswork.

10—Always shake a bottle containing liquid medicine before pouring out the medicine for use.

11—After removing the cork from a bottle, put the cork with its top down on a table, washstand, or tray. Put it back in the bottle immediately after the medicine has been poured out.

12—Never take a cathartic for abdominal pain unless the cause of the pain is known. It may be appendicitis.

13—Never take pyramidon, or tablets which contain pyramidon, without a doctor's prescription.

14—Never drop any medicine in the eye unless a doctor has recommended it.

15—Women's cosmetics should be kept in a place of their own, preferably wherever they are used by the woman concerned.

16—Never take sleeping powders, pills, tablets, or solutions unless in the amounts recommended and at the times recommended by your doctor.

17—Persistent pain is a warning signal of danger of disease or damage to your body. Do not disregard it, and do not banish it with pain-relieving remedies. Find out the cause.

18—Do not treat the baby for pains, spasms, skin rashes, or disorders of digestion which you would not try to treat if they affected you. Call your doctor. Give the baby the same chance you would want for yourself under similar conditions.

Church Near White Hall Plans Meeting For Former Members

Homecoming Services to Be Held Sept. 27; Other News Notes

White Hall.—The Pleasant Dale Baptist church west of White all which was recently reorganized is preparing for a home coming and basket dinner to be held at the church on Sunday, Sept. 27. Letters are being sent out to all former members of the church.

Rev. John Alexander of Hillview has been engaged as the new minister. Sunday school will be held each Sunday morning at 10 o'clock. There will be preaching service at 11 o'clock on Sunday, Sept. 27, and another sermon during the afternoon following the serving of the basket dinner.

The women and men of the church met Wednesday and worked all day cleaning off the church yard and cleaning the church building which has been in disuse for more than two years.

This was formerly one of the most active Baptist country churches in this section, but since the coming of cars and better roads, many of the country churches in the county are being abandoned, and those who formerly kept the church going are coming into the cities.

RENT A GAS BURNER \$2.95 PER MONTH

"I have had my eye on Gas Heating for some time. But I believe in being a little cagey on such matters. So I've been letting my friends try it out first. Now I find they're so strong for it, so well satisfied with the moderate cost of operation and its many other features, that I am convinced it's not good judgment to wait any longer. So in it goes now, ready for the first cool day" . . . Why don't you, the reader, be guided by this man's decision? After all, Gas Heating is no longer new and untried. And it costs so little to prove its comfort, convenience and economy in your own home. A Gas Conversion Burner can be installed in your present furnace or boiler in only a few hours. Then you, too, are prepared for those sudden chilly days in early Fall. When it's a luxury to scratch a match instead of building a fire.

Mrs. Fanning Hostess to Ladies at Nortonville.

The South Side Community club of Nortonville met Friday afternoon at the home of Mrs. Warren Fanning, with Mrs. Lionel Seymour as assistant hostess. Sixteen members and three guests, including Mrs. Walter Brown, Mrs. Sophia Peak and Miss Darlene Kelly, were at the meeting.

During the business session arrangements were completed for the club institute to be held October 7 at the Nortonville hall.

A paper on "The History of Sugar," prepared by Mrs. George Robinson, was read to the club by Mrs. Lawrence Seymour. Another paper, "Bees and Their Work," was given by Mrs. Ernest Henry. Members answered roll call by naming a food containing sugar or honey.

The club was entertained with sev-

eral ukelin numbers by Mrs. Ernest Henry and Mrs. Lawrence Seymour. Mrs. John Jones was in charge of the social hour, several contests being enjoyed. Prizes were awarded to Mrs. Ernest Henry and Mrs. Henry Whitlock.

The next meeting will be held Oct. 2 at the home of Mrs. Jasper McNeely, with Mrs. John Jones as assistant hostess.

Relief Activities Strasser Rites To Show Increase Here During This Month

Average Cost Rises Slightly as Schools Open; Budget \$11,196.15 This Month

Relief activities during the present month showed an increase both in the number of cases handled, and in the average cost per case, according to a report filed yesterday by the county administrator, L. B. Turner. The report was delayed due to the illness of Charles Deem, statistician of the local office, who recently returned to his work after being confined to Passavant hospital following an operation.

The case load for the month jumped from a total of 677 cases during August to a total of 720 certified for relief during the present month. The county administration estimates that the average cost per case for the month will be \$14, compared to the \$11.76 average made during the month of August.

Breaking down the total expenditure of \$9,368.14, spent during August into the various items required by the state department, the report shows that there were 376 cases of unemployment home relief, 256 welfare home cases, one case which required more funds than the head of the family was able to earn under the WPA scale, and 44 cases in welfare institutions. The administration estimates that there will be 400 unemployment relief cases, 275 welfare home cases, one case of WPA supplementation, and 44 welfare institution cases, making a total of 720 relief cases.

The total cost of relief this month has been estimated at \$11,196.15, to be divided \$9,450 for unemployment and welfare home relief, at an average of \$14 a case, \$1,200 for welfare institution cases, an average cost of \$27.27 for each case, and \$533.15 for administrative costs. During August, the relief agency expended \$7,430.72, an average of \$11.76 for each of the 632 cases, \$1,478.32 for welfare institution cases, an average of \$33.60, and \$446.10 for administrative costs, making a total of \$9,368.14.

The increase in the average cost for each case is attributed largely to the opening of schools. The local agency is anticipating a sharp increase in expenditures for October, in view of possible cold weather.

Strasser Rites To Be Held Here

Albert F. Strasser, 56 years old, a former well known resident of Jacksonville, died at 4 o'clock Friday afternoon at St. John's sanitarium near Springfield. Mr. Strasser had resided in Springfield for the last 9 years.

He was a native of this city, and for a number of years was foreman in the coach department of the old C. P. & St. L. railroad shops. For the last several years he was a painting and decorating contractor.

Possessed of a rich baritone voice, Mr. Strasser was prominent in music circles of this city as a member of the choir of the Church of Our Saviour, and civic organizations. After removing to Springfield he was a member of the choir of St. Agnes church and the Cathedral of the Immaculate Conception. He filled a number of radio appearances.

The remains were brought to the O'Donnell & Reavy funeral parlors here, and Saturday afternoon were taken to the home of his sister, Mrs. Elmer L. Snyder, 926 South Clay Ave. Funeral services will be held Monday morning at 8:30 o'clock at the Church of Our Saviour.

Mr. Strasser is survived by two sisters, Mrs. Snyder and Sister Genevieve of the Dominican Order; a number of nieces and nephews, including Mrs. Fred Wassell, Leo and Lawrence Hager, Springfield; Byron Snyder, Chicago; Mrs. Lucille Cokely, Jacksonville, and others in Los Angeles, Calif.

OPEN HEADQUARTERS OF DEMOCRATIC PARTY

The Morgan County Democratic Central committee yesterday afternoon opened campaign headquarters on West State street, in a room formerly occupied by the Kroger Grocery company. The headquarters will be open each week day from now on through the campaign leading up to the election Nov. 3. The room will be used as a meeting place of committees, and for distribution of campaign literature.

Mrs. C. C. Fuller of Detroit, Michigan, was a Saturday caller in Jacksonville.

John Cully Marries Catherine Kelly in Rites Here Saturday

Ceremony Performed at Home of Bride's Parents; Leave on Trip

Miss Catherine Kelly, daughter of Mr. and Mrs. Lewis Kelly, 646 South Diamond street, became the bride of John Cully, son of Mrs. C. E. Cully, 638 West Douglas avenue, Saturday morning at 9:30 o'clock in an impressive ceremony performed at the home of the bride's parents before about fifty guests, including intimate friends and relatives.

Rev. McKendree Blair officiated using the single ring service. The marriage vows were spoken by the bride couple, who were unattended, before an altar of ferns, palms, white clematis and yellow gladioli with a large candelabrum on either side. Ivory candles were lighted throughout the house.

The bride wore a dress of longwood brown, silk alpaca in tunic style trimmed in satche braid and buttons. Her corsage was of yellow baby's breath and tulleman roses.

Mrs. Kelly, mother of the bride was gown in a navy blue sheer crepe suit and the bridegroom's mother, Mrs. C. E. Cully was attired in a flowered silk sheer gown.

Immediately following the ceremony refreshments were served in the dining room. Mrs. L. Allen Kelly, sister-in-law of the bride and Mrs. Edward Cully, sister-in-law of the bridegroom, presided at the table, where yellow roses and a large wedding cake were attractively arranged. Others assisting were: Mrs. Waldus Bealmer, Mrs. Charles Bunch and Mrs. Robert Mutch.

The bride's going away dress was of brown with matching accessories. Following a short wedding trip Mr. and Mrs. Cully will be at home after September 25th, at 272 Vandalia Road.

Both Mr. and Mrs. Cully have many friends in Jacksonville. Mrs. Cully was graduated from the Jacksonville High school and attended two years at MacMurray College, where she was a member of Phi Nu society. For the past two years she has been employed as a teacher. She has been the guest of honor at a series of pre-nuptial events since the announcement of her wedding date.

Mr. Cully is also a graduate of the local high school and is employed as superintendent of a government project. Out of town guests were: Mr. and Mrs. Jewel Horst, St. Louis; Mr. and Mrs. John Lyons, St. Louis; Mr. and Mrs. Ralph Horst, St. Louis; Oliver R. Barrett, Chicago; Mr. and Mrs. Harry Cully, Quincy; Mr. and Mrs. Hulian Dawson, Springfield; Mr. and Mrs. Lyndall Symons, Palmyra; Mr. and Mrs. Gene Devine, Aurora; Mrs. H. J. Devine, Aurora; Mr. and Mrs. Edward Cully, Aurora.

State's Attorney of Jersey County Dies; Funeral Is Today

Year's Illness Fatal to R. C. Chappell; Other News of County

Jerseyville—Funeral services for Attorney R. C. Chappell, state's attorney of Jersey county, will be held at the Presbyterian church of Jerseyville, this afternoon at two-thirty o'clock. Rev. Harold S. Farrill will officiate

and interment will be in St. Francis Xavier's cemetery in this city. Chappell died at his home here, Thursday evening following an illness of more than one year. He is survived by his widow and two sons, Edwin and Donald. Chappell has been state's attorney of Jersey county for the past twelve years.

Miss Nellie Rohacek
Miss Nellie L. Rohacek, formerly of Jerseyville, died at her home in St. Louis Thursday morning, September 17th at 1:00 o'clock.

The deceased was the daughter of the late John Rohacek and Mrs. Alice J. Rohacek. She was born in Jerseyville and spent her early life in this city where she has many relatives and friends. She was a member of Crown Chapter No. 535, Order of Eastern Star.

Funeral services were held at one

o'clock Saturday afternoon at the Kriegerhauser Mortuary in St. Louis and the body was brought to Jerseyville to be interred in Oak Grove cemetery.

Approximately \$457.00 was cleared at the Manito Turkey Banquet sponsored by the members of the Methodist church of Jerseyville Wednesday evening and this amount will be applied on the church debt.

The Jerseyville Methodist church congregation has unanimously requested the return of Rev. W. L. Hanbaum to the pastorate of the local church when the eighty-fifth session of the Southern Illinois Conference convenes at Mt. Carmel on Tuesday, September 22nd. The local church is a part of the East St. Louis district of which Rev. C. L. Peterson is superintendent.

Bishop Ernest Lynn Waldorf of Chicago will preside at the annual conference. Attending from Jerseyville will be Rev. and Mrs. W. L. Hanbaum and daughter, Eunice; Mrs. Clara Brooks and Miss Addie Voorhees. Mrs. Brooks and Miss Voorhees, are delegates from the Jerseyville church to the conference.

An interesting relic of the Illinois State Fair of 1866 came to light in the city of Jerseyville Friday, when Dr. Frank S. Snedeker, local osteopath, found an admission ticket that had been issued to his grandfather and grandmother, the late Mr. and Mrs. Isaac Snedeker.

At that time the state fair was being held in the city of Chicago. On the fact of the ticket appears the following: Illinois State Fair, 1866, Chicago, September 24th to 29th. Admit to All Departments—Isaac Snedeker and Wife. Across the face of the ticket, faintly visible.

The ticket bears the signatures of A. B. M. Conwell, president, and John R. Reynolds, corresponding secretary. On the back of the ticket is endorsed the information, State Horticultural Society. At that time, Isaac Snedeker was one of the heads of the State Horticultural Group, being one of the pioneers in the horticulture game in the state of Illinois.

While digging out a spring in the Patterson district, Greene county, this week, Richard Riggs of White Hall and Harley Ford of Patterson unearthed the tooth of a prehistoric animal believed to be a mastodon.

The tooth is about eight inches broad with roots twelve or more inches long and still heavily enameled. The tooth is in a good state of preservation. About twenty-five years ago, a number of gigantic bones were unearthed in the Patterson vicinity, and the fossils were classified at that time as being part of the skeleton of a mastodon.

Similar bones have been found from time to time in the Otterville vicinity in Jersey county.

Romance (?) Enjoys a Premiere

Appearance of comedian Charles Chaplin and attractive Paulette Goddard, as shown in top photo, and Mary Pickford with Charles (Buddy) Rogers, lower photo, at a premiere in Hollywood bowl the other night, didn't exactly stir up a new crop of romantic rumors about the two couples, but it did give Talkietown another peg for speculation. Recently Chaplin, ever elusive about his personal affairs, toured the Orient with Miss Goddard and returned neither confirming nor denying marriage. Buddy Rogers continues to be seen with the former Mrs. Douglas Fairbanks, Sr.

ROBERT HEMPHILL IS ONE OF U. OF I. FIRST YEAR MEN AT CAMP

Robert C. Hemphill was one of the 223 new freshmen at the University of Illinois given a vivid "first-night" preview of his coming life at the State University when he attended the

Freshman Camp Conference which ended Friday.

The conference, which is held annually at Camp Seymour, near Decatur, Illinois, is sponsored by the University Young Men's Christian association for the purpose of giving selected high school graduates a flying start on their university careers.

Among the headline speakers were Dean G. M. Thompson of the College of Commerce who emphasized to the campers the importance of knowing their classmates and the people with whom they will be connected during their next four years, and Prof. A. R. Knight of the College of Engineering, who told them that "education is knowing what to do—character is taking the right action."

The program of the camp conference included short speeches by University leaders, sports, games and other recreation. Three general topics were discussed by the speakers; faculty and scholastic relations, activities and sports by student leaders, and the place of character and religion in University life.

Robert Hemphill has been pledged to the A. T. O. fraternity, of which his father, Chester Hemphill, was a member.

Lowell Leeper of Virginia is Dead

Passes Away at Hospital Yesterday Morning; Was Son of Former Senator

Virginia—Lowell Leeper, 41 years old, for a number of years proprietor of a grocery store here, died at 3:30 o'clock Saturday morning at Schmidt Memorial hospital at Beardstown, after a long illness. He was a son of the late Senator A. A. Leeper and Eva Horro Leeper.

Surviving are his wife, Mrs. Helen Brown Leeper; one daughter, Barbara; one sister, Mrs. Mabel Littleton of Clinton, Ill.

Funeral services will be held Monday afternoon at 2 o'clock at the Christian church here, Rev. J. H. Parker of Kenney, Ill., officiating. Interment will be made in Walnut Ridge cemetery with members of the Masonic Lodge in charge.

SOUTH JACKSONVILLE PROGRAM TODAY

Plans are complete for a benefit picnic and all day program today in the South Jacksonville park, near the village hall. The event has been arranged by the women of the village to provide funds with which they plan to better equip the park. Three soft ball games have been arranged for the afternoon, and there will be no admission charge to the grounds.

SMEDLEY SLIGHTLY IMPROVED
T. M. Smedley, father of Merle Smedley, former local resident who was seriously injured in an automobile accident a few weeks ago near Terre Haute, Ind., left here yesterday for Terre Haute to visit his son.

Mr. Smedley, whose home is in Pekin, stated that his son was slightly better, but that not a great deal of change could be noted in his condition. Smedley suffered six broken vertebrae near the base of his skull.

Chapin Pupils End Magazine Contest

Proceeds Donated to Athletic Fund; Softball Team Plays Two Games

Chapin—The Chapin high school students have just completed a week's magazine contest promoted by the Crowell Publishing Co. The group was divided into two teams of the Red and Black Pirates. Velma Taylor, a senior, served as general business manager for the contest; Mary Etta Smith, a senior, as captain for the Red team; and Lee McNeil, a junior, as captain of the Black pirates. At the close of the contest last Wednesday, the Red pirate team was in the lead. As a reward the contestants on this side will be entertained at a fall wicker roast by the losing side. The commission money from the sale of the magazines will be used for athletic equipment.

Sports this week for the school have centered in the game of softball. Chapin high has recently entered a league with five other high schools. In the first at home game on Wednesday night, Chapin vs. Franklin, the score was 9-2, in favor of Chapin; on Friday the Chapin team traveled to Waverly, where the score was 11 to 1, in favor of Waverly high.

The freshmen in the high school recently made themselves known in the group when they won first prize in the homecoming parade. The four classes participated, the winning class portraying a familiar scene from the daily cartoon, "Born Thirty Years Too

Red Birds Whip Cubs 9 To 6; Giants Beat Dodgers 9 To 1

Pinch-hitter Jim Collins Homer With Sacks Loaded Wins Game For Cardinals

Chicago, Sept. 19.—(P)—A story book home run by Pinch-hitter Jim Collins today carried the St. Louis Cardinals to a 9 to 6 triumph over the Chicago Cubs and back into second place in the National League.

While the Gas House Gang was making an uphill battle to conquer the Cubs, to whom they yielded second place yesterday, the onrushing Giants polished off the Brooklyn Dodgers. The combination of events left Bill Terry's team with a 5½ game margin over St. Louis.

The Cubs were headed for a second straight victory today until Larry French, seeking his 19th pitching decision of the year, fell apart in the seventh after weathering previous storms. Trailing by 5 to 3, the Cardinals, starting after one man had been retired, disposing of the Cub southpaw with consecutive singles by Art Garibaldi, Pepper Martin, Joe Medwick and Johnny Mize, scoring two runs in the process.

Curt Davis was called into French's rescue, but walked Lee Durocher, and Don Guttridge was safe on a fielder's choice, filling the bases.

Collins was sent out to bat for Catcher Bruce Odrogowski, and responded with a booming shot into the right field bleacher portion of a crowd of 12,866 spectators.

A single by Frank Demaree in the second inning, followed by Stan Hack's double and a wild pitch by recruit right hander Bill McGee, who started for the Cardinals, gave the Cubs two runs. The Cards went ahead with three in the third, achieved through singles by McGee, Mize and Durocher, mixed with doubles by Garibaldi and Medwick.

The Cubs tied it up in their half of the third on Augie Galan's single and Billy Herman's double, and moved out in front again in the fifth. A single by Billy Jurges, French's sacrifice, another single by Galan and a fielder's choice stirred up one run.

Gabby Hartnett slammed a home run over the left field wall in the sixth, giving the Cubs their two-run edge. They worked on McGee after edge. They worked on McGee after edge. They worked on McGee after edge.

Dr. W. L. Frank In Myers, Cosgriffs To Clash in City Softball Series

St. Louis, Sept. 19.—(P)—The nation's left handed golfers refuse to be shoved into the background any longer. Hoping—and for the most part confident—that there is a southpaw chaser of par who can become a national champion, they will crown their own king at a week-long tournament beginning here Monday.

No major golf tournament ever has been won by a left-hander. But Ben Richter, left-handed pro here and tournament manager, believes it won't be long until they do. He has challenged the winner of the national amateur tournament at Garden City, N. Y., to play an exhibition match with the left handed champion to be determined next Saturday.

This will be the first country wide tournament for left handers only. There are 130 entries from 25 states, from California to Florida.

Heading the list of gentlemen from swing from the portside of the tee is colorful George Creel of Pueblo, Co., former Colorado amateur champion and 1934 national amateur tournament medalist. The entries include: C. S. Crossley, Quincy, Ill. Dr. L. H. Dodd, Decatur, Ill. S. R. Plum, Decatur, Ill. M. B. Fultz, Decatur, Ill. Samuel G. Alpert, La Salle, Ill. William W. Yates, Bloomington, Ill.

Tigers Wallop Indians 7 to 3

Detroit, Sept. 19.—(P)—Detroit beat Cleveland today for the third straight time and moved into second place in the American League standings. The score was 7 to 3.

Schoolboy Rowe was touched for 12 hits in winning his 19th victory of the season, but he was never in danger. The Tigers got to Mel Harder for two runs in the first inning, scored two more in the third and another pair in the fourth. Lee pitched the last four innings for Cleveland.

The Indians, on a double by Weatherly and a triple by Heath, pushed two runs across in the fourth. They added another in the ninth on two singles and a forceout.

The final Detroit run was scored in the sixth when Pete Fox smashed a home run over the scoreboard.

White Hall—Led by the hard running Lindley, Beardstown dumped a determined White Hall high school football team here Saturday afternoon with a series of passes and runs that scored touchdowns at unexpected moments to pile up a 19 to 0 score.

White Hall gave the River City lads a tussle all the way, but couldn't get their offense to clicking sufficiently enough to score. Beardstown went over White Hall's head for the first touchdown, scored another on a burst through the line, and on the last play of the game, pushed over another.

Kiser marked up the first touchdown when Beardstown pulled a quick "sleeper" pass which caught the White Hall defense off its guard. Lindley tossed the leather to a Tiger quarterback, and Kiser ran about 20 yards.

Following a series of fumbles, in which the ball changed hands several times, Beardstown broke Lindley loose for one long gain, and then smashed and battered the White Hall line for steady gains, Lindley going over for the touchdown from the five yard line on a smash through tackle.

Beardstown shoved back a rapidly tiring White Hall team during the final quarter after being held scoreless in the third period, marching about 50 yards for a touchdown by steady smashes at the line. Kiser carried the ball over and Bell plunged for the point.

The game was the first of the season for both teams and was witnessed by a large crowd.

Pirates Waylay Redlegs 7 to 6

Pittsburgh, Sept. 19.—(P)—A wild throw to the plate with the bases full by Alex Kampouris in the eleventh inning allowed Lloyd Waner to score the winning run and gave the Pittsburgh Pirates a 7 to 6 victory over the Cincinnati Reds today.

The victory assured the Pirates fourth place in the National League standings.

Red Sox Trounce Athletics 5 to 1

Philadelphia, Sept. 19.—(P)—The Boston Red Sox took the opener of a three-game series with the Athletics today, 5 runs to 1. Wes Ferrell, going the route for the Sox, turned in his 20th victory of the season.

Jimmy Fox, with three hits, one a triple, led the Boston attack against his former mates, but the Sox collected only eight singles compared with 11 for the Mackmen.

Score: Boston..... 020 001 002-5 8 1 Philadelphia..... 000 010 000-1 11 5 W. Ferrell and R. Ferrell; Lisenbee, Ross and Hayes.

Boston Bees Blank Phillies 3 to 0

Boston, Sept. 19.—(P)—Young Bill Weir held the Phillies to four hits today when the Boston Bees opened their final series with the visitors with a 5-0 shutout.

Not an enemy reached second on Weir until the ninth when Warstler's wide throw put Sheerin on first. He went to second when Klein drew a pass. After fanning Corbett for the first out, Weir fanned Arnovich to hit in to a double play.

Score: Philadelphia..... 000 000 000-0 4 2 Boston..... 002 100 000-3 11 1 Sives, Kelleher and Wilson; Weir and Lopez.

Carl Hubbell Holds Home Team To Four Hits For His 25th Win Of 1936 Season

Brooklyn, Sept. 19.—(P)—The season's greatest pitcher, "King Carl" Hubbell, all but hurled the New York Giants into the National League pennant today by stopping the Dodgers with four hits for his 15th straight hurling victory.

While his mates were firing a ten-hit attack, which included homers by Mel Ott and JoJo Moore, at Van Lingle Mungo, Dodgers ace, Hubbell stopped the Brooklyn cold in every inning but the second to chalk up his 25th victory of the campaign against six defeats.

The win stretched the Giants league lead to 5½ games over the St. Louis Cardinals, who climbed back into second place by defeating the Cubs. The Giants now have to play less than 500 ball through their remaining nine games to take the flag.

For four innings, Mungo gave as good as he received, and actually out-pitched the masterful Hubbell. But the Giants fired a five-run barrage in the fifth, and from there on were never in danger.

Mungo, however, fanned ten of the New York batters to bring his season's total to 231, virtually assuring him of the big league leadership in his specialty.

Moore, as has been the custom for the last two weeks, paced the Giant batting attack, getting two singles as well as his homer to drive in four runs.

Each club scored once through the first four innings, the Dodgers getting their lone tally in the second on a hit batsman, Jimmy Jordan's single and Mungo's fly, and the Giants hitting the scoring column in the third with Moore's homer—inside the park.

The big fifth inning for the Giants didn't get underway until two were out. Then Burgess Whitehead got on base when one of Mungo's slants caught him in the elbow. Hubbell's grounder went through Lonnie Frey for an error. Moore's single brought Klem. Time—2:05.

Rickey Will Not Purchase Reds

Cincinnati, Sept. 19.—(P)—Denials followed quickly today a published report that the Cincinnati Reds might be sold to Branch Rickey, vice-president and general manager of the St. Louis Cardinals.

Powell Crosey, Jr., president of the Reds, said at his farm home at North Vernon, Ind., "I cannot deny that too emphatically. I don't know how that report got started, but one thing is certain—the Reds are not for sale."

Rickey at St. Louis described the report as a "complete fabrication." He added a denial of a parallel report that he had taken an option on the St. Louis Browns by saying: "I am not interested in the Browns or any other club, except the Cardinals. I am perfectly contented and happy where I am."

Then he amplified the statement to explain the possible source of the reports. "Before I spike these reports too hard," he said, "I want to say I may have participated in casual conversations about Cincinnati, the Browns and other clubs, but I have never engaged in negotiations for any of them."

The reports were published a few hours after Larry S. MacPhail resigned as vice-president and general manager of the Reds.

Saying the resignation "was absolutely voluntary," Crosey said he understood MacPhail had some other interests.

Yankees Noseout Senators 6 to 5

New York, Sept. 19.—(P)—Lou Gehrig celebrated an unbroken run of 1,800 games at first base for the Yankees today by snapping out of his slump to help in an 6 to 5 victory over the Washington Senators, but Bill Dickey was the day's big hero.

Gehrig's single had aided in a three-run rally in the seventh, which enabled the Yanks to come from behind and tie the score. Dickey broke up the ball game in the ninth with his 22nd homer of the year.

Gehrig, who had a double as well as his single, received a Scroll before the game started in recognition of the greatest "iron man" record the big leagues have ever known.

Score: Washington..... 001 001 000-5 11 3 New York..... 000 000 301-6 11 0 Deshong, Cohen and Hogan; Hadley, Murphy and Dickey.

State Department Releases 60 Quail In Morgan County

Sportsman's Club Instrumental in Beginning Restocking of Game Here

The first step in bringing more game to this county was taken by the State Department of Conservation when its representatives released sixty quail on various farms yesterday morning. The state department is beginning its fall distribution of game, and through the efforts of the Jacksonville Sportsman's club, organized two months ago, this county was included in the number of counties where game is to be released. Names of the owners of the farms on which the quails were released are

being withheld. They have signed an agreement with the state department in which they have placed their farms under the game conservation code.

Lewis Martin of the state department and Orville Dickens, game warden, were in charge of the distribution of game.

The state department plans to liberate about 6,500 quails this year, and about 20,000 pheasants. It also will liberate a few Hungarian partridges and a few Chukar partridges, but raising these birds has just begun and only a very limited number will be released. The remainder of the flock will be kept for breeding purposes.

Mr. Martin was enthusiastic about the outlook for birds this year. He pointed out that there is more feed than usual in the fields because farmers did not believe it was worth while to harvest some of the small grain.

The local sportsman's club will have before it at the next meeting some of the plans through which the state department suggests methods of feeding birds through the winter months when it is difficult for the birds to find food on ground covered by snow. The state department is obtaining information on feeders from the Illinois Extension Survey, University of Illinois, and will pass this information on to sportsman's clubs.

Mr. Martin stated that for the first time in the history of the department of conservation it has raised a prairie chicken in captivity. Numerous attempts have been made in recent years to raise this species of birds, but always before the birds have died. The state department hopes that it will be able, in a few years, to raise the birds in sufficient numbers to stock parts of the state where conditions are suitable.

Seven Injured in Automobile Crash

Three Reported in Serious Condition Today

Effingham, Ill.—(P)—Seven persons were injured, three seriously, when an automobile driven by H. Zink of Louisville, Ill., collided with another driven by Pat McQueen of Indianapolis, Ind., on Highway 45 north of here last night.

Mrs. Zink, 24, suffered severe internal injuries and lacerations on both legs and her two children, Catherine, 3, and Johnny, 2, were brought to a hospital here with the others in a critical condition.

Lowell Mann, 22, of Robinson, Ill., who accompanied McQueen, another companion known only as "Doc," and Zink suffered lacerations and several broken bones.

CHANDLERVILLE NEWS WRITTEN TO JOURNAL

On Sunday afternoon, Sept. 26th the opening meeting of the Chandlerville Woman's club will be held. The meeting will be called at the Congregational church at 2:30 o'clock by Mrs. Jephtha Armstrong, president. An open meeting is arranged with Mrs. Carl Chandler as guest speaker who will give an afternoon's travel talk on her summer European trip through Egypt, Palestine, Turkey, Switzerland, Greece, Austria, Italy, France and England. Complete program announcements will be ready early next week.

Early Tuesday morning a coal shed was discovered burning on the Chandlerville Times property. Quick action immediately reduced the danger of spread of fire to nearby office and garage buildings.

Mrs. O. E. Blair was hostess to her bridge club on Wednesday afternoon at her home on North Main street.

Mrs. Carl Chandler has been a business caller in Chandlerville during this week. She is making her headquarters in Havana while closing estate business here. Her permanent home is now located in Washington, D. C.

Mrs. F. A. Lyons is spending the week end at her parents' home in Brooks, Indiana.

Buy's Cone Shop
Clifford Collins, son of Mr. and Mrs. Ora Collins, became the owner and manager of the Deitch Cone Shop on Tuesday when the sale arrangements were completed. Mr. Collins took immediate charge of his shop on Wednesday where he plans to continue with the ice cream and restaurant business. The shop remains the stopping point and ticket office for the Jacksonville Bus Line.

To Dedicate Centaph
The completion of the Chandler Centaph, under construction during this summer on Grand View Knob at the southwestern boundary of the Chandlerville Cemetery, is now in its finishing stages. The memorial is a private one, planned by Mrs. Carl Chandler, formerly of Havana, now of Washington, D. C., honoring her husband and his grandfather, Dr. Charles Chandler for whom Chandlerville was named.

Dr. Chandler settled here on the present town site in 1832.

The centaph is to be formally dedicated on Sunday, Sept. 27th at 5:30 o'clock by the Honorable Scott Lucas, 20th District congressman of Havana, and a close friend of Carl Chandler who passed away in 1934.

Miss Josephine Nell Ott, niece of Mrs. Chandler and daughter of Mrs. Nell Chandler Ott, also of Washington, D. C., will unveil the inscription and bronze plaque. Friends who are interested in the memorial will be welcomed at the brief service.

Grace E. Smith Dies Here Yesterday

Had Lived in City Two Years; Body Taken to Former Home, Roodhouse

Mrs. Grace E. Smith, 51, of South Kosciusko street died at 8:50 o'clock Saturday morning at Passavant hospital. She was a former resident of Roodhouse, having resided in this city for about two years.

Her husband, Joseph Smith, who was a Chicago & Alton railroad switchman at Roodhouse, preceded her in death. She was a niece of Robert Wallace of Roodhouse. Survivors also include two aunts, Mrs. Alice Young and Mrs. William Buchsac, both of Winchester. There are a number of cousins. She was a member of the Christian Science church.

The remains were removed to the Wolfe & Mackey funeral home at Roodhouse where funeral services will be held Monday at 2 p. m., in charge of the Christian Science reader from Jacksonville. Burial will be in Fernwood cemetery.

LOCAL PHOTOGRAPHER SAYS HE WAS BEATEN BY TAXICAB DRIVER

Bernard Kemp, a taxicab driver, was under bond yesterday to face a charge of assault and battery, the complaint having been signed by F. P. Fawner, a local photographer. When arraigned in Justice A. B. Opperman's court Kemp indicated that he would stand trial, and the hearing was docketed for next Monday afternoon at 1 o'clock.

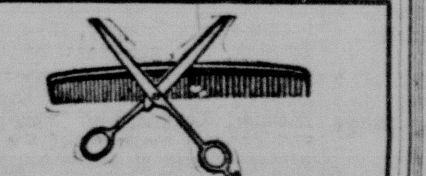

Fawner appeared in court with both of his eyes discolored as a result of an argument over a taxicab fare. Fawner claims that he was knocked from the taxicab by the driver, who then beat him while he was on the ground.

Uneven Trend In Livestock Prices

Chicago, Sept. 19.—(P)—Increasing livestock receipts in all branches of the trade this week had only slight influence on the uneven trend of meat and increased competition among packers for lambs in the open prices. Variations in the demand for trade were the important factors.

Little was done in the trade today, only a few light hogs and sows selling at weak to unevenly lower prices. Quotable top was \$1.60.

Tumbling choice pork loin prices at many distributing centers exerted the most weakening influence on hogs this week. Hogs weighing under 220 pounds lost 75 cents to \$1 while heavier ones and sows were 25 to 50 cents off.

Closing average prices of around \$9.73 showed a slump of 53 cents. Average weight yesterday was 234 pounds, a drop of 26 pounds, light hogs, being more freely offered having been subjected to liberal price cuts.

Wholesale loin prices broke as much as 41 cents a pound from 1936 peak levels, a reflection, livestock men said, of a contraction in consumer demand.

A big percentage of good to choice feed steers was included in the week's supply of slaughter cattle. Jewish holidays exerted pressure on the market for heavy stock but both medium weights and heavies closed on a steady basis compared with a week ago despite the dull dressed market for heavy beef. Yearlings gained 25 to 40 cents and heifers shared the advance. Vealers lost 50 to 75 cents. The steer top was \$10.35, a new high.

Live mutton receipts were the largest in 11 months, but expanded demand enabled sellers to raise prices 25 to 40 cents for fat lambs, in instances more. The lamb top again reached \$10.

East St. Louis, Ill.—(P)—(U. S. Dept. Agr.)—Hogs, 2000; 400 through; 1100 direct; odd lots weak to 10 lower than average Friday but not enough good to choice hogs on sale to make a market; medium to good 170-225 lbs. \$10.00 @ 40; sows quotable \$8.25 @ 75; compared with week ago: market, 75-100 lower.

Wheat Prices Average Higher

Chicago, Sept. 19.—(P)—Sensitive to enlarged estimates of world import requirements and to asserted widespread shortage of soil moisture in domestic wheat territory, wheat prices averaged higher today.

A leading trade authority's forecast of world import needs of wheat was hoisted 24,000,000 bushels, bringing the total to 40,000,000 bushels more than last year. Current also was a report by one of the country's foremost unofficial crop specialists that the United States is facing likelihood of another season of drought in the great wheat belt of the southwest and a situation equally serious in the northwest.

Selling to realize profits, however, kept wheat price upturns here to within a cent a bushel, maximum. The outcome of negotiations for the purchase of nearly 20,000,000 bushels of wheat for Italy from Roumania was awaited with interest.

Chicago wheat futures closed firm at the same as yesterday's finish to higher, Sept. 1141-8, Dec. 113-113 1/2, May 112-112 1/2, corn 1 to 1 cent down, Sept. 115-115 1/2, Dec. 95 1/2-1, May 90-90 1/2, oats 1/2 off to 1/2 up, Dec. 43, and rye unchanged to 1/2 advance. The result in provisions was 2 cents to 15 cents setback.

Aiding upturns of wheat prices here was comparative strength of Liverpool quotations, together with reports that only 70,000,000 bushels of Canadian wheat remain to come forward during the rest of the present season.

Chicago Livestock

Chicago, Sept. 19.—(P)—(U. S. Dept. Agr.)—Hogs, 2000, including 1,800 direct; today's market largely nominal; quotable top 10.60; weights under 180 lb. and sows weak to unevenly lower; several loads good to low choice 160-175 lbs., 9.25-50 to shippers; load medium to good sows around 324 lbs., 9.15; shippers took 500; estimated holdover 1,000; compared with week ago weights under 220 lbs. mostly 75-1,000 lower; heavier hogs and sows unevenly 25-65 lower.

Cattle, 2,000; calves 200; compared Friday last week: General market active early but closed dull except on light yearlings; most late sales weighty steers lower due to Jewish holidays but both medium weights and heavies generally steady; dressed market heavy but very dull; yearlings unevenly 25-40c higher, better grades being strong to 25c higher, in between 25-40c up; heifers showed full advance; cutters cows 25 lower, beef cows weak; bulks strong, and vealers 50-75 lower, more than 1.00 under week's high time; largely fed steer run, with strictly good and choice offerings predominating; yearlings scaling under 1,000 lbs. acutely scarce; about 14,000 western grassers in crop, mainly stockers, feeders and cows, latter going mainly on killer account; best yearlings and medium weight steers 10.35, new high on crop; best 1,400 lb. averages 10.00; 1,500 lbs. up to 9.60, and 1,700 lbs. 8.65; 917 lb. mixed steers and heifers reaching 10.25, and best heifers 10.00; selected western grass steers 8.65 to country; bulk fed cattle 9.00 upward; practical top western stockers 7.50, but outstanding kinds reached 8.25.

Sheep 4,500, including 1,800 direct; for week ending Friday 17,300 direct. Compared Friday last week: Fat lambs 25-40 or more higher, aged sheep weak to 25 lower, better grade feeding lambs firm; week's lamb top 10.00, paid late for both native and western offerings; closing bulk good to choice westerns 9.75-10.00, most natives 9.75 down; week's bulk slaughter lambs 8.85-9.75; most yearlings 8.25, top 8.75; slaughter ewes 2.60-3.25, week's top 3.75; feeling lambs 6.50-8.80 according to kind; top black faced yearling range breeding ewes 7.25 at close.

Farm and Rural Interest

Thousand Farms in This County Will Be Measured in Soil Conservation Program; Fall Planting of Clover Reported; Soy Bean Field Day

More than 1,000 Morgan county farmers and land owners have asked for measurements of their fields, in view of the government's soil conservation program. Thirty-two men are now engaged in making these measurements, upon which benefits are based. The work will probably occupy another month.

The job of signing up farmers participating in the soil conservation program will not start until after the measurements are made. The landowners are told the probable benefits in dollars and cents before making final decision.

Fall Clover Planting

Henry Sweeten has planted 60 acres of red clover on the William Petefish farm, south of Virginia. Fall planting of clover is unusual in this section of the state. Mr. Sweeten stated it is his first planting of clover in the fall during his long experience as a farmer.

Soy Bean Field Day

Morgan county farmers interested in learning more about the soy bean will hold a field day Monday afternoon, under leadership of the Farm Bureau.

The first meeting will be held at the farm of E. E. Hart, northeast of Sinclair, beginning at 1:30 o'clock. The second part of the program will take place at the Edward Scott farm, south of Reese, beginning at 3:10 o'clock. J. C. Hackleman, crop specialist from the State College of Agriculture, and Farm Adviser Coolidge will be in charge of the field day program.

Eastern Bankers Help Promote Four-H Clubs

The conviction that Four-H club work lays the foundation for sound citizenship and intelligent farming influenced a New York bank executive to contribute \$500 to the Agricultural Committee of the State Bankers' association, to further Four-H club activities in that state. "I am convinced that the work is so worthy, and is being so well handled that it should interest those who believe in building sound citizenship, as well as intelligent farming for the future," he said.

503 Illinois Farmers Obtain Loans From U. S.

Even though rains in many sections of Illinois are alleviating the drought, applications for aid continue to pour in from the less fortunate parts of the state, it was reported at the regional resettlement administration office at Indianapolis.

Up to September 12, applications from 503 Illinois farmers had been approved, according to R. C. Smith, regional director. These include 154 loans for a total of \$20,684.67 and 349 subsistence grants for a total of \$7,044.06. Altogether \$285,000 has been allocated to Illinois for drought assistance under the resettlement administration program. This amount is divided into \$235,000 for loans and \$50,000 for grants.

While there are on 21 emergency drought counties in Illinois at the present time, any farmer in the state is eligible to apply for drought aid, Smith said. "To make application he should go to his county rural rehabilitation supervisor."

18 Men Survey Farms For Barberry Bushes

A crew of 18 men under the direction of Irvin O. Moss is now engaged in a survey of the farms and homes of Cass county to find all common barberry bushes which spread the black stem rust disease to wheat, oats, barley, and rye. These bushes will be destroyed to control the serious disease of small grains. This work is a project of the

Bulls Numerous In Stock Mart

New York, Sept. 19.—(P)—Bulls turned up in larger numbers on the stock market scene today and brought shares throughout the list with a vigor which imparted an autumn snap to advancing prices.

Contrary to the usual week-end session, trading broadened out into the fastest turnover for a two hour market. Wall Street has seen since early last April. Transactions of the stock exchange totaled 897,300 shares compared with 494,700 a week ago.

The Associated Press average for 60 stocks closed 5 of a point higher at 88.4 after regaining this week about half the ground lost on the preceding decline.

Steels, rails, merchandise and miscellaneous industrial shares were in the van of the rise. United States Steel finished up 1 at 72 1/2, within a point of its 1936 peak, and Bethlehem added 1 1/2, ending at 71 1/2. International Business Machines spurted 3 to 183. Westinghouse Electric pushed up 1 1/2 to 144. Western Union, Sears Roebuck, Loew's Lehigh Valley, Santa Fe, Borg Warner, Electric Autolite, American Smelting and Illinois Central closed with gains of around a point.

The upturn in automobile production this week was taken as a reminder of forthcoming expansion in manufacture of new models. It was noted Youngstown steel operations, in a district which gets much of the motor industry's business, were slated to hold around 80 per cent of capacity next week.

Financial comment on European developments was in a more hopeful vein. But there was little change in European exchange rates. The French franc held at 6.582 cents, around the gold export point. The British pound sold up 1-16 of a cent to \$5.06 9-16.

TRANS-PACIFIC FLIGHT

BEGIN HERE TODAY
KAY DUNN, pretty young nurse, is hired as a stewardess on Overland Airways and, the same day, meets TED GRAHAM, veteran pilot who flies the trans-Pacific route.
Kay is assigned to the western division of the service. MONTE BANGS, apprentice pilot, pays her marked attentions. Monte is daring, romantic, but Kay is more interested in Ted. She and DICKIE, Ted's adopted 7-year-old son, become close friends.
Ted leaves on a flight across the Pacific. Monte and RALPH BANGS, another pilot, call at Kay's apartment one evening, decide to hold a house warming. MONTE BANGS, a stewardess, arrives, announcing that land planes are grounded because of fog.
Ted returns from the Pacific and the evening passes gaily. Kay thinks of Ted over the Pacific and is word.

NOW GO ON WITH THE STORY

KAY knew that two things stood above all else in Ted Graham's life—his adopted son, DICKIE, and his job. And she knew, too, that she had come to idolize and to love Ted Graham.

While Ted was away on the Pacific flight, the other pilots kidded Kay mercilessly. Ted, they said, was the last man in the world to whom a girl should lose her heart. They all had heard him say, over and over, that romance, for him, was behind. He was never going to fall in love again.

Then he returned.
He came down out of the skies, after two weeks of gazing at the blue Pacific, and the first person he saw on shore was Kay Dunn. DICKIE was at her side, trim in his grey military uniform.

It seemed so natural that the pair should be there, waiting for him. To Ted Graham's disciplined mind it seemed well-ordered, exactly right.

Kay sensed this and, for some reason she could not have explained, she felt annoyed that he should accept the incident in such a matter-of-fact way. She had gone to the military school to get DICKIE, had secured leave for him to come to meet his father. Kay thought that Ted should have been thrilled at this reception.

TED said to Kay, "And how is the job on Overland Airways?"

It was DICKIE who replied for her. "Pal lives here now, and works. Right on the beach near us. I had dinner with her almost every night during the holidays."

Ted looked at the girl a moment, then said quietly, "I think

Constitution Day Observed By U.S. Daughters of 1812

Mrs. Lewis Sims Reviews History; Committees, Officers Named

Frances Scott Key Chapter, U. S. Daughters of 1812, observed Constitution Day on the program at the first meeting of the year held Saturday afternoon at the American Legion Home.

The president, Mrs. Lewis Sims presided and following the playing of "The Star Spangled Banner," and the salute to the flag, she reviewed the salient leading up to the adoption of the constitution, recalling the fact that the constitution was composed of a body of able men. Each one made a very definite contribution in a convention lasting 116 days. She spoke of the final adoption of the Constitution, also of Madison's Journal kept during the secret sessions and released 83 years after by his widow, four years after his death, showing a record of frank expressions of opinions causing heated disputes and many speeches. Franklin pleaded for ratification, as did George Washington, Hamilton and Jefferson. Mrs. Sims illustrated her remarks with pictures from the Congressional Library, where the Constitution is preserved under guard.

Miss Lora Petefish gave a talk, beautifully illustrating her lecture, taking as her subject the poem "Trees" by Joyce Kilmer. Miss Petefish also read "House With Nobody in It," "When Winter Comes" and "Roofs." The musical program given by Miss Charlotte Sieber was also a delightful feature of the afternoon. Miss Sieber accompanied by Miss Lillian Braden, sang, "Love is in the Wind" and "The Song of Long Ago." Charles, "Crowning Home," Wilbey.

The members were interested in the framed Roll of Honor of Veterans of 1812, in Morgan County, which has been presented to the American Legion, compiled by Mrs. Henry W. English, through her work as state officer in the organization.

The secretary, Mrs. Jean King Lane, announced the officers and committee for the coming year as follows: President—Mrs. Lewis Sims; First Vice-President—Mrs. S. W. Babb; Second Vice-President—Mrs. Edward Vorbeck; Third Vice-President—Mrs. O. F. Buffe; Recording Secretary—Mrs. Jean King Lane; Treasurer—Mrs. Carl Robertson; Historian—Mrs. Carl Eugene Bourn; Resolutions—Miss Lora D. Petefish; Chaplain—Mrs. Roy Davenport.

Committees for 1936-37
Membership—Mrs. Clara Black, Mrs. S. W. Babb, Miss Lora Petefish; Program—Mrs. M. S. Zachary, Mrs. Lee Stice, Miss Florence Cox, Mrs. Carl Robinson; Music—Mrs. W. E. Means; Mrs. Carl Robinson, Mrs. Roy Davenport, Mrs. Henry W. English; Mrs. S. W. Babb, Mrs. Jean King Lane, Mrs. M. S. Zachary; Patriotic—Education—Mrs. O. F. Buffe, Mrs. J. Make Tentative Plans for A.T.A. Conventions Here

National Conclave to Begin October 5; State Meet To Start October 7

Tentative plans for the National and State conventions of the Anti-Thief association which will be held in this city on October 5 and 6 and 7 and 8, respectively, were announced yesterday by the general arrangements committee, composed of Fred Bailey, chairman, C. W. Boston, Clyde Black, W. G. Hadden, L. Clyde Cooper and John W. Lazenby.

Headquarters for both conventions will be at the New Dunlap Hotel where delegates will register.

The sessions of the national convention will convene in the circuit court room at the Morgan county court house on Monday, October 5, Monday evening there will be a banquet at the dining room of the New Dunlap Hotel, followed by entertainment. Monday afternoon the delegates will be taken on a tour of the city, visiting local institutions, the Illinois Steel Bridge company and Eli Bridge company.

The delegates will also go to the Diamond Grove cemetery to place a wreath on the grave of Charles S. Black, who was national president of the order when he died.

Sidney M. Holben of Edinburgh, Ill. is the national president.

The national body will elect its officers on Tuesday, October 6.

The state convention will open on Wednesday, Oct. 7, in the circuit court room. After dinner the delegates will also make a tour of the city, visiting its institutions and manufacturing plants.

Wednesday evening a dinner will be given at Jacksonville churches to the 300 or more delegates attending the convention.

In the evening there will be entertainment and speaking at the Jacksonville High school auditorium. This meeting will be opened to the public. It is planned to have a well known criminologist speak at this meeting.

Following the meeting at the high school, members of the order will adjourn to the David Prince Gymnasium where several candidates will be initiated into the order by the Winchester Degree team to this meeting. All members are invited to this meeting.

The state convention will elect its officers on Thursday, October 8.

Final plans for the regular meeting of the local sub-order on Saturday, Sept. 26. The local sub-order will elect officers at this meeting and also name delegates to the state convention. The meeting will open at 1:30 o'clock and all members are urged to be present.
